Solutions

- **Communication between sending schools and centers is critical**
- **Centers should send list of teachers, courses/course numbers being taught, and periods to sending schools**
- **Registrar or counselor should ask for this information if it is not received from center**

Course Number Accuracy

- **Critical for assessment**
- **Critical for determining program of study completion**
- **Critical for concurrent/articulated credit**

Courses Tested and Assessment Calendar

- **Testing only “capstone” course in each program of study core**
- **Traditional Scheduling**
