Triand Overview

Triand is a user friendly way to transfer student transcripts between schools, districts, and colleges.

Triand functions best in the most up-to-date version of a web browser. Be sure the browser you are using is the most recent version to ensure proper functionality.

Public schools in Arkansas are to use the electronic transcript system pursuant to *Ark. Code Ann. § 6-80-107*. When a student transfers from a public school in Arkansas and enrolls into a new school, the school where the student was previously enrolled will be sent an e-mail notifying that school that the student has transferred. The school "losing" the student must remove the student from its active enrollment roster with an effective date no later than the day following the date of the e-mail.

User Accounts

Triand connects to both FMS and the eSchoolPLUS nightly. Any staff member entered in either FMS or the staff catalog in eSchoolPLUS will pull into Triand in order for state IDs to populate and be pushed back to the appropriate system for state reporting.

If a valid school issued email address is listed in either location for the user, the user account generates automatically in the Triand system. If the email address is not listed, the staff member only exists for state ID purposes.

Upon logging into Triand, you will notice that the interface is divided into two sections – (1) the navigation bar and (2) the main working area.

The screenshot illustrates the Triand interface. A red box labeled '1' highlights the top navigation bar, which includes the 'triand' logo, user information ('Jane (example) doe'), a 'log out' link, and links for 'home', 'tests', 'lessons', 'calendar', 'classes', 'students', 'friends', and 'help'. Below the navigation bar, a secondary menu bar shows 'welcome', 'profile', 'uploads', and 'account'. A second red box labeled '2' highlights the 'People You Might Know' section, which lists three users: Jolene Sanders, Ronnie Simmons, and Brian Ratliff, each with their roles and school district information. To the right, a large section titled 'What's Happening On Triand' displays a list of recent activity from various users, such as Sarah Cox, Ginger Ulmer, Brenda Martin, B. J. Lewis, Kristen Novotny, Oleta King, Brenda Martin, Guest User, Megan Brazle, Guest User, Victoria Dougherty, Julie Stroud, B. J. Lewis, and Megan Brazle, along with their respective actions and timestamps.

The screenshot shows the triand search interface. At the top left is a search bar with the placeholder "Enter keywords" and a red circle highlighting the input field containing "*****, ***** academies". To the right are dropdown menus for "Find students in my state" and "For any grade". Below the search bar is a link "see search results as you type". On the right side of the header are buttons for "Add your students" and a question mark icon. The main search results area displays a table with columns "Picture", "Student", and "Location". The "Student" column shows a grayscale profile picture, followed by masked names and IDs: "*****", "*****", "*****", "Local-ID: *****", and "State-ID: *****". A red arrow points from the "*****" entry in the "Student" column to the "*****" entry in the "Location" column. The "Location" column also includes masked entries for DOB, SSN, AUTH, School, District, State, and Enrolled date.

Student State ID Numbers

Triand populates student state ID numbers and pushes those numbers back into eSchoolPLUS with nightly connections for actively enrolled students. In order for a state ID number to generate, the following identifiable information must be entered in eSchoolPLUS for a student:

- First Name
- Last Name
- DOB
- SSN
- Guardian Information

State ID numbers that begin with the letter “T” are temporary place holders used until a valid state ID can be populated.

Twin Field

Triand pulls the “twin” field from eSchoolPLUS to identify sets of twins; however, at times, records for non-related students are combine due to significant matching of identifiable information. To separate, users with state-level permissions can click the “No” to change to “Yes”, allowing the records to separate with a nightly connection.

| Student Information | |
|---------------------|-------|
| First Name: | ***** |
| Middle Name: | * |
| Last Name: | ***** |
| Twin: | No |
| Grade: | 09 |
| District: | ***** |
| School: | |

If, following a nightly connection, information remains combined, the development team can manually separate any transcript data.

Completion Status Fields

- Core (Act 330)
 - In order to comply with Act 330 of 2013 (Electronic transcripts shall include a designation for students who have completed the core curriculum with a minimum grade point average of 2.75 on a 4.0 scale), students should be coded with a Diploma Type of SEAL in eSchoolPLUS. The Diploma Type field can be found by going to Student Center > Demographic > Academic. The designations should be made in the software prior to May 1 of each school year. The SEAL designation will appear on the Triand transcripts under the “Completion Status” section. The Core field will read “Y” if the student has been designated as having met the criteria; the field will read “N” if the designation has not been made.
- Digital Learning Complete (Act 1280)
 - The Digital Learning Complete field will read “Y” if a digital learning course has been coded correctly in eSchoolPLUS and the student has received credit for that digital learning course
